DOCKET NO. G-02528A-06-0729

DOCKET NO. E-01703A-06-0729

On November 15, 2006, Duncan Rural Services Corporation ("DRSC") filed an application with the Arizona Corporation Commission ("Commission") to transfer its assets and Certificate of Convenience and Necessity ("Certificate" or "CC&N") to Duncan Valley Electric Cooperative, Inc. ("DVEC") as part of a reorganization of DRSC as a natural gas division of DVEC. If the Application is granted DVEC will be the exclusive provider of gas utility service to the area currently served by DRSC, and will be required by the Commission to provide service under rates and charges and terms and conditions established by the Commission. The Application is available for inspection during regular business hours at the offices of the Commission in Phoenix, at 1200 West Washington Street, Phoenix, Arizona, in Tucson, at 400 West Congress St. Suite 218, Tucson, Arizona or on the Commission's website, azcc.gov, by using the eDocket link, as well as at the offices of DRSC, 222 North Highway 75, Duncan, Arizona.

The Commission will hold a hearing on this matter beginning April 10, 2007, at 10:00 a.m., at the Commission's offices, Room 222, 400 West Congress Street, Tucson, Arizona. Public comment will be taken at the beginning of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene in the proceedings and participate as a party. You may have the right to intervene in the proceeding. Intervention will be in accordance with A.A.C. R14-3-105, except that all motions to intervene must be filed on or before March 30, 2007. Persons desiring to intervene must file a written motion to intervene with the Commission and send such motion to Applicants or their counsel and to all parties of record. The motion must, at the minimum, contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different from that of the intervenor.

2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer or potential customer of the Applicant, a shareholder of the Applicant, etc.)

3. A statement certifying that a copy of the motion to intervene has been mailed to the Applicant or its counsel and to all parties of record in the case.

The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the applications. You will not receive any further notice of this proceeding unless you request it. Comments may also be made by writing to the Commission in care of Docket Control, 1200 W. Washington, Phoenix, Arizona 85007. All correspondence should contain the Docket Nos. G-02528A-06-0729 and E-01703A-06-0729.

If you have any questions about this application, you may contact the Applicant at (928) 359-2503. If you want further information on intervention or have questions on how to file comments, you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007 or call 1-800-222-7000.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contact Linda Hogan, ADA Coordinator, voice phone number 602/542-3931, E-mail LHogan@cc.state.az.us. Requests should be made as early as possible to allow time to arrange the accommodation.
